

## 2022 4-H National Shooting Sports Quiz Bow

This year 164 youth from 33 states participated in the 4-H National Shooting Sports Quiz Bowl. My thanks to colleagues Shannon Andress from Auburn Univeristy (Alabama) and Jesse Bocksnick from Univeristy of Arkansas for making this possible.

Despite some connectivity issues and technology challenges with the new platform, this event continues to be a fun and exciting way for 4-H Youth to demonstrate their shooting sports knowledge with peers from across the nation. Congratulations to all that participated. Your comprehension of general shooting sports knowledge across all disciplines is truly remarkable.

We value your feedback as we build toward next year's contest. We are already in the process of implementing a live scoreboard that will let you view the scores in real-time during the contest, and discussing whether we have the critical mass needed to split the Quiz Bowl into discipline specific tournaments (we may not be quite there yet, but we're working toward that day).

Please take a moment to complete the survey or shoot me an email and let me know your thoughts.

Awards will be sent to your State Shooting Sports Coordinator to distribute around the state. I expect it will take a couple of weeks for that process to occur.

Thank you again for your participation and feedback. I look forward to the 2023 Quiz Bowl year.
